SEOUL INTERNATIONAL DRAMA AWARDS 2021

Hi, I am Park Seong-jae, chairman of the Seoul Drama Awards organizing committee.

The Seoul Drama Awards, which has accompanied the development of dramas around the world, celebrates its 16th anniversary.

We couldn't be all together now due to the Covid-19 pandemic, but with the development of various drama platforms, people around the world are getting closer to each other, transcending borders, languages, and cultures.

I hope that people in the world can continue to recognize diversity, share cultural empathy and understand each other through dramas. And the Seoul Drama Awards will always be at the center of this global phenomenon.

Next year, I hope that this place will be a grand festival with many actors and actresses.

Sung Jae Park

It was very unusual for me to act in a series with a short format, with limited action, where it is impossible to distract the viewer with effects or to hide behind plot twists.
On the other hand, a lot can happen inside a cabin: there was a huge field for creativity. Many great talented actors starred as my passengers in the series, with such incredible stories to tell.
